

GENERAL CONDITIONS

Your submission of any advertisement, order, space reservation or position commitment shall constitute acceptance of the following general conditions.

As used in this section titled "General Conditions," the term 'publisher' shall refer to the American Association of Private Railroad Car Owners, Inc. (AAPRCO)

All contents of advertisements are subject to publisher's approval.

Publisher reserves the right to reject or cancel any advertising copy which at its discretion is deemed objectionable, misleading, not in the best interests of the reader, or contrary to federal and state regulations, whether or not the ad had previously been accepted and/or published. Publisher further reserves the right to reject or cancel any advertisement, insertion order, space reservation, or position commitment at any time without giving cause. Publisher reserves the right to insert the word "advertisement" above or below any copy.

Advertising space reservations are accepted in good faith by verbal or written notification. The absence of written notification following a verbal space reservation does not invalidate that space commitment.

Positioning of advertisements is at the discretion of the publisher except where a request for a specific preferred position is acknowledged by publisher in writing.

Publisher shall not be liable for any costs or damages if for any reason it fails to publish an advertisement. The publisher's liability for any error will not exceed the cost of the space occupied by the ad with the error.

Publisher is not responsible for mistakes in production of ad copy not submitted in writing.

Publisher is not liable for delays due to labor strikes, shortage of material, natural or man-made disasters, accidents, fires, acts of God or other contingencies beyond the publisher's control.

Advertiser agrees to indemnify, defend and save harmless the publisher from any claims or actions based on or arising out of any matter of any kind contained in such advertising, or the unauthorized use of any person's name or photograph or any sketch, map, words, labels, trademarks or copyrighted matter or libelous statements in connection with advertising purchased according to the terms of this AAPRCO rate card.

Purchasers of advertising space assume all responsibility for the entire content of any advertisement printed for them in *Private Varnish* and assume responsibility for any claims or costs of litigation claims arising therefrom against themselves or the publisher.

Conditions other than rates are subject to change without notice.

No conditions other than those set forth in this rate card shall be binding on the publisher unless specifically agreed to in writing by the publisher. Publisher will not be bound by conditions printed or appearing on insertion orders or copy instructions which conflict with provisions of this rate card.

Cancellations must be received by the closing date or advertiser will be held responsible for payment of space reserved.
